

Ministry of Agriculture and Rural Affairs Notification regarding solicitation of public opinion on the “National Catalogue of Livestock and Poultry Genetic Resources”

The Ministry has organised and drafted the “National Catalogue of Livestock and Poultry Genetic Resources (consultation draft)” in accordance with the relevant provisions of the “Decisions of the Standing Committee of the National People’s Congress relating to a total prohibition on illegal wildlife trade, eliminating the bad habit of excessive eating of wildlife, and effectively safeguarding the lives and health of the public” and the “Animal Husbandry Law of the People’s Republic of China”. Opinions are now being sought from the public. Members of the public can submit feedback and opinions through the following channels and methods:

Email: zysxzc@agri.gov.cn

Postal address: Livestock and Poultry Division, Seed Industry Management Department, Ministry of Agriculture and Rural Affairs, No. 11 Nanli, Agricultural Exhibition Hall, Chaoyang District, Beijing (Postcode: 100125)

Telephone: 010-59191471

The deadline for comments and feedback is 8 May 2020.
